Mayor Lake informed the board that Missouri Rural Water Association, (GIS Mapping Division) will be here on September 6, 7, 8 to map water lines in Otterville. Mayor Lake also advised the Board that Bob Bentzin had brought to her attention that Beams in the basement of the Senior Center were very bad. We will check into this and report back at the next meeting. Mayor Lake also reported that the Water Tower inspections will be held sometime next month. Ozark Applicators will advise as to the date they will arrive.

Concerned Citizen Chad Meyer voiced his complaint about the dust from the streets since the chip and seal project. Mr. Meyer feels this is a bad issue not only breathing the dust from his yard but also maintaining his vehicles to his standards. After discussion from the board it was agreed that if the issue is not solved by August 1, 2023, the City will sweep off the excess gravel. Mr. Meyer was satisfied with the board decision and left the meeting.

Guest Charlotte Morrison reported the Street Fair is September 15<sup>th</sup> and 16<sup>th</sup>. GFL, our trash company, will place containers on September 14<sup>th</sup>. Charlotte also stated that the Senior Center and the Thirft store have had new roofs put on them. Next month there will further discussion concerning the Street Fair

Old Business:

Stop Signs and Speed Limit Signs. A motion was made by Alderman Sean Main, Second by Alderman John Meyer to approve the revised stop sign and speed limit revisions. All in favor, motion passed.

Yellow Truck: We have a title where the truck was purchased in 2014 but the title was never transferred to the City. It will cost around \$200 to get the title transferred over to the City or we could sell it for scrap. David will check into this and report at the next meeting.

The old cop car has everything taken off it and is being stored at Danny Stemberger's house at the present time.

Weed letters have been sent out and most yards have been moved now. Building letters have also been sent out by the City Attorney.

New Business

Lead Sevice Lines: There was some discussion at the May 3, 2023 meeting concerning this issue from MRWA (Missouri Rural Water Association). This is a state wide requirement for the City to do an inventory of every connection in the City at the meter and into the structure. The City has received a grant to complete the inventory. We have received two (2) sealed bids from Total H2O Solutions and MML to complete this inventory. These bids will be given to the Aldermen to score each bid. This matter will be tabled until the next board meeting.

The City does have an Ordinance against vehicles sitting without plates. Mayor Lake asked for a motion to proceed with having the City attorney send letters to citizens regarding this matter. Alderman Sean Main made a motion to proceed, Alderman Mark Cole second, all in favor.

Mayor Lake informed the board the we need to purchase some new Gate Valves to shut off the water to the town when the need should arise. We don't want to go thru what just happened trying to replace the damaged Fire Hydrant. Alderman Sean Main made a motion to table this issue until after the water mapping has been completed, Alderman Mark Cole second, all in favor.

Mayor Lake informed the board that we are transferring \$6000.00 into the Water Tower Savings Account.

Alderman John Meyer made a motion, second by Alderman Sean Main to have Mayor Lake check into the CD rates so that we can put \$12,000.00 into a CD. All in favor.
